INSTITUTIONAL DISTINCTIVENESS

2021-22

Doranda College has been driving programs for elevating the prospects of students, abilities of the faculty, and standards of education, as well as proliferating its learning and experience to support other colleges to grow as centre of excellence. Education is a powerful tool in empowering the youth & shapes the creative & critical faculty of students. To ensure a holistic development of student's personality, the college aims at providing affordable, quality higher education to the rural masses, who mostly happen to be First generation learners. The college has mission to create empower scholastic men and women leaders who are resourceful, oriental and dedicated in their chosen carriers and fields through Quality education practices thereby becoming assets to the society and the nation. Through NSS activities inculcate the qualities of morality and nobility among the students and removing the all socio economic barriers to serve the students from all section of the society.

The institution's unique scoring point is that it encourages students to develop their entire personalities in order to prepare them to handle global issues. In order to achieve this goal, our college strives to balance the five dimensions of students entering its doors: physical, intellectual, ethical, social, and cultural capabilities. This practice was established with the goal of transmitting and guaranteeing that the youth's learning needs are addressed by providing fair access to appropriate learning and skill programs. This technique also aims to eradicate gender inequities in education by enhancing all aspects of educational quality and ensuring excellence in order to attain recognized and measured learning outcomes.

The college has selected well-qualified teaching personnel to help students progress intellectually. They leave no stone unturned in producing intellectually sharp graduates and post-graduates. Our institution's greatest asset is its dedicated faculty. They are encouraged to further enhance their knowledge by attending Workshops, Seminars, refreshers, and Orientation courses to learn about the most recent breakthroughs in their field. Academic programs are available in all four major streams: Arts, Commerce, Science, and Computer Science. In this regard, the administrative team also gives their full cooperation. The institution encourages student internship, and other industry engagement to expose students of BBA, MBA, MCA, MRM, B.SC.IT, and B.Ed. for their experiential learning. Institution provides opportunities for students to learn both autonomously and with others and to develop their sense of competence, students are more likely to be motivated to succeed . To become engaged, students must feel they are accepted and affirmed. With its vision of empowering students and guiding them incrementally towards emotional, social and academic skills necessary for successful self-management and

responsible independence, students are given ample opportunities to develop leadership qualities by assuming different roles in classroom, cultural society, sports, department associations, NSS, placement cell etc. Along with giving freedom to students to evolve and grow at their pace, the institution also believes in locating the responsibility for mentoring students upon the teachers who make sure that they are available to the students as they perform tasks. The spirit of mutual work, discipline, social responsibility towards community development and nation building is inculcated through NSS, cultural society, women grievance cell and IQAC. The College contributes towards women empowerment by organizing various activities under the aegis of its Gender Sensitization and women grievance cell.

While academics are vital, sports-related activities play a crucial role in forming a student's personality and character. The College prioritizes athletics and encourages its students to participate in various events with the same philosophy. Under the guidance of the sports officer, students compete in Inter-College, District, University, State, and National level sports activities throughout the year. The following steps make up the integrated plan of action for resolving socioeconomic and socio cultural backwardness:

1. The fee structure has been preserved at a very moderate level, taking into account the poor economic base of the majority of students,
2. The office staff informs students about the many types of merit scholarships offered by the federal and state governments, and they are assured of full cooperation on all fronts in order to take advantage of these opportunities.
3. Teachers from all Departments devote extra time and effort to help slow learners in the classroom. Individual coaching during free periods, spending time outside of class hours, offering model answers and personal books to them, individual counseling and if necessary.
4. To encourage students to become more computer literate, the Institution offers a free computer training certificate course that is open to all students.
5. They have been able to achieve considerable academic growth with access to a well-stocked library with internet access, e-learning resources,
6. Donation Drives, Participation in Awareness Rallies, Blood Donation Camp, Swachchta Abhiyan, and Plantation Drives enable the students to be socially responsible.
7. To provide our students an education that enables them to be productive and fulfilled professionals throughout their career.
8. To make our graduates to recognize that they acquire a high quality education.
9. To achieve academic excellence through innovative student centric teaching –learning processes, research orientation.
