INTRODUCTION

Feedback is corrective information or statements of opinion about an action, event or process to the original. It plays an important role by improving academic and work culture of an institution. A properly planned as well as chalked out feedback system may helps in improvement of services provided by the institution depends upon the level of satisfaction of its all stakeholders.

METHODOLOGY

A prescribe Performa of feedback for students on curriculum and teaching-learning process has been prepared and distributed randomly among the students of Ug and PG 6th Semester students at the end of academic session 2022-23. Total 666 sample students have been taken into consideration for feedback analysis.

ANALYSIS OF STUDENTS' FEEDBACK

The feedback Performa includes three dimensions namely Curriculum, Teachers and Information Resources of the college etc. A simple statistical method of percentage and graphical representation of data has been applied in analysis of students' feedback.
